Hot-Mix Asphalt (HMA) 101 (13 PDHs)
2-day course - $425

November 7-8, 2018

Who Should Attend
This course was developed for those persons seeking a basic understanding of hot-mix asphalt pavements. It is intended to focus on areas critical to the successful completion of an asphalt pavement. This course is also valuable for individuals who plan to apply for field technician certification in Pennsylvania.

This 2-day seminar taught by AI engineers provides participants with a solid foundation in:

- Asphalt Cements
- Aggregates
- Mix Design and Plant Operations (as they relate to field applications)
- Proper Hauling, Placement and Compaction Procedures

Seminar Location
The Penn Stater Conference Center
215 Innovation Blvd.
State College, PA 16803

Class Schedule
8:45 a.m. - 4:00 p.m. Wednesday (Lunch will be provided)
8:15 a.m. - 4:30 p.m. Thursday (Lunch will be provided)

Fees & Registration
The registration fee is $425 and due prior to the course date. Fee includes course instruction, refreshments at breaks, lunch both days and seminar materials. You may cancel without penalty up to three weeks prior to the course start date. If you provide the Asphalt Institute with less than three weeks’ notice, or fail to attend, you will be liable for the entire seminar fee. Substitutions are permitted. Early registration is recommended as the class size is limited.
