

- ▶ **Hot Mix Asphalt 101**\$350
November 9 – 10, 2011, State College, PA
- ▶ **An Introduction to The Bailey Method–
Optimizing Volumetrics and HMA Compactability** ...\$325
November 7, 2011, Albany, NY
February 17, 2012, Providence, RI
- ▶ **Optimizing Volumetrics and HMA Compactability
Utilizing the Bailey Method**\$895
January 16 – 19, 2012, Lexington, KY
February 27 – March 1, 2012, Lexington, KY
- ▶ **Airport Pavement Workshop** (FAA Personnel-\$645) ... \$995
October 18 – 20, 2011, Newport Beach, CA
April 10 – 12, 2012, Atlanta, GA
- ▶ **Mix Design Technology Certification Course**\$995
January 9 – 13, 2012, Lexington, KY
February 13 – 16, 2012, Providence, RI
March 5 – 8, 2012, Lexington, KY
- ▶ **Principles of Quality Hot Mix Asphalt
Pavement Construction**\$195
October 24, 2011, Raleigh, NC
October 26, 2011, Atlanta, GA
October 28, 2011, Orlando, FL
February 13, 2012, Biloxi, MS
February 15, 2012, Baton Rouge, LA
February 17, 2012, Houston, TX
April 10, 2012, Albany, NY
April 12, 2012, Hershey, PA
April 23, 2012, San Francisco, CA
April 25, 2012, Bend, OR
April 27, 2012, Spokane, WA
April 30, 2012, Billings, MT
May 2, 2012, Salt Lake City, UT
May 4, 2012, Albuquerque, NM
October 22, 2012, Cincinnati, OH
October 24, 2012, Nashville, TN
October 26, 2012, Birmingham, AL
- ▶ **Basic Binder Technician Training**\$900
November 7 – 10, 2011, Lexington, KY
December 12 – 15, 2011, Lexington, KY
January 16 – 20, 2012, Lexington, KY
February 6 – 9, 2012, Lexington, KY
February 27 – March 1, 2012, Lexington, KY
March 19 – 22, 2012, Lexington, KY
- ▶ **National Binder Technician Certification Program** ...\$1450
January 30 – February 2, 2012, Lexington, KY
February 20 – 23, 2012, Lexington, KY

ACADEMY

WEBINARS

▶ Live Webinars

FREE

Understanding the MSCR Test and Its Use in the PG Asphalt Binder Specification **August 31, 2011**

\$85 each

Mix Design Methods for Slurry Seal/Microsurfacing Chip Seals **November 3, 2011**

Combining Preservation Treatments **November 10, 2011**

ISSA Inspector's Manual for Slurry Seal/Microsurfacing **November 17, 2011**

▶ Recorded Webinars

FREE

Carbon Footprint
Intelligent Compaction – A Smart Innovation
Certification: What You Should Know About Training
Binder Technicians

\$50 each

Pavement Management Systems
Interpreting Asphalt Test Results

\$50 each - Asphalt Emulsion Webinar Series

Session 1 – Introduction & Chemistry
Session 2 – Storage, handling & sampling, testing,
selecting the right grade
Session 3 – Surface treatment (chip seals, slurry,
micro, etc.)
Session 4 – Emulsion aggregate mixtures
Session 5 – Asphalt pavement recycling, miscellaneous
applications

\$50 each - Hot Mix Asphalt Inspector Series

Session 1 – Inspector Responsibilities
Session 2 – Asphalt Binder Testing & Specifications
Session 3 – Asphalt Binder Testing & Specifications
(continued)
Session 4 – Asphalt Emulsions, Cutbacks & Air Blown
Asphalts
Session 5 – Asphalt Binder Modification & Testing
Variability

\$50 each - Pavement Preservation Treatments

Introduction to Chip Seals & Best Practices
Introduction to Slurry Seal/Microsurfacing & Best
Practices
Introduction to Crack Treatment & Best Practices
