

AI Member Communication Tools

- **Asphalt magazine**

- published 3 times per year (February, June, October), plus digital version and monthly updates via email

- **Electronic member only newsletter** – monthly

- **Meeting invitation** and corresponding emails – 3 times per year (Spring, Summer, Annual)

- **Membership Directory** – online and PDF version available

- **Annual Report** – distributed in April of each year

As a member of the Asphalt Institute, each designated company representative will receive the following communication from staff throughout the year:

- **HSE Alerts** – periodic emails on regulations, research and news

- **Asphalt Usage Report**

- sent electronically in the fall to primary representatives; available online to all members

- **Volunteer Survey** – sent in the fall from the AI President – to request a seat on one of 11 committees
- **Regional Engineer quarterly reports**

We encourage members to become active in our social media efforts.
