ABOUT CELEBRATION GOLF CLUB

Located within the Orlando golf resort area, Celebration Golf Club delivers a golfing experience that can challenge the pros and yet offers a rewarding time for juniors and those just learning the game. Since opening for play in 1996, Orlando golf hasn't been the same. It's here that you'll do more than play a course—you'll feel what it's like to play the final course co-designed by the renowned masters of golf course architecture, Robert Trent Jones Senior and Junior. In designing Celebration Golf Club, their combined talents created a course unlike any other in the nation. It's lush, almost like a natural park with undulating swells and topography, a course reflective of the very best of every course they have created around the world.

PUTTING GREEN CONTEST *Sponsored by Polyco*

Join us at 11:00 AM EST for the AI Foundation Putting Green Contest located on the practice green adjacent to the Celebration Golf Clubhouse. The golfer closest to the hole wins a \$200 cash prize.
