

ASPHALT INSTITUTE®

**ASPHALT INSTITUTE FOUNDATION VOLUNTEERS AND
PARTICIPATION IN AI MEMBER MEETINGS**

Adopted by the AI Executive Committee
on April 25, 2019

* * * * *

This Policy of the Asphalt Institute, Inc. outlines permissible participation or attendance at Asphalt Institute membership meetings or other events by volunteers of the Asphalt Institute Foundation.

1. The Asphalt Institute and the Asphalt Institute Foundation encourage members of the public to serve as volunteers for the Foundation in any capacity. This fosters a collaborative effort between the two organizations.
2. As most of the AIF Board Meetings are co-joined with AI member meetings, any AIF volunteer is welcome to register for and attend AI member meetings and corresponding functions;
 - Emeritus designees serving on the AIF may register for the AI meetings at the Emeritus rate
 - Any guest (spouses) may register at the regular AI guest rate
 - Public volunteers to the AIF may register at the normal AI member rate for the meeting (the rationale here is that the public has not received the Emeritus designation and the benefit it conveys)
 - This policy is not an alternative means to participate in AI member meetings verses joining the Asphalt Institute as a member
 - The AIF Board is asked to carefully review volunteers prior to their slating on an AIF committee with this policy in mind
 - The AI Board retains final authority on who may attending AI meetings
